Beautiful “CASA ZEN” is your once in a lifetime chance to rent a very special contemporary loft-style home that blends the old with the new. Built on the site of a former Hacienda the architect was able to salvage 200-year-old stonewalls and incorporate them into a stunning design. An ultra-modern gourmet kitchen, two story open-concept living room with gas fireplace, showpiece staircase and soaring glass walls, give this loft a sense of space and elegance. A beautiful yucca tree serves as a divider between living room and dining/kitchen area with a retractable glass ceiling that allows the tree to thrive. Minimun 3 months. Price includes all utilities but gas, plus once a week cleaning service.
