This lovely property is all on one level though could be expanded to two. It has wonderful natural light and a cozy comfortable feel. Some properties just have a great flow like this one with its clean open design. The property is just over two years old, has off street parking, freshly finished saltillo tiles in the bedrooms and living room, tumbled marble tiles in the bathrooms and views of the churches from the rooftop. The neighborhood is a welcoming mix of warm Mexican families and expats. It is almost impossible to find a one level property at this price especially within a comfortable 15 minute walk to centro. Make plans to visit today!
