Casa Jardin del Quijote is a very private, well thought out home, designed with comfort, light, access to nature and privacy in mind. The home is anchored by an elegant sky lit hallway which leads to the main living/dining area via large open archways. This spacious room has a high vaulted wood-beamed ceiling, giving the room architectural flair. Two sets of French doors on the facing wall open onto a flowering terrace. There is a fireplace in the main room as well as in each bedroom.
