Rancho en Jamaica is an exceptional property of over 216 hectares, prime for development as a vineyard, organic farm, equestrian property or a combination of all three. This wine country property is close to the award-winning Cuna de Tierra vineyard, the first of San Miguel's several wine-producing properties. Santisma Trinidad Vineyard is also nearby – both successful vineyards offer proof of the region's suitability for viniculture.The entire property is equipped with a drip irrigation system. Half of the 216 hectares are certified organic. The property comes with an authorized water concession as well as machinery to farm both the organic and conventional hectares.Rancho en Jamaica is a uniquely versatile opportunity to create a curated country lifestyle close to historic Antotonilco and a short 30-minute drive to downtown San Miguel de Allende.
