Casa Elefante is a single level piedàterre, ideal for a small family, or single person looking to be in the heart of San Miguel de Allende. Likewise, because of its convenient location, it could be an attractive rental investment.As we enter the property, we are welcomed by an open concept living room, dining room and kitchen. At the left of the living areas we can access the full bathroom. Set in the back of the property, we have the two modern bedrooms which have been equipped with efficient closet spaces designed to optimize the spaces. Casa Elefante´s modern architecture and minimalistic décor create a serene atmosphere, ideal to relax after a long day exploring the many cultural offerings, art galleries, shops and restaurants that are located within walking distance. Welcome to Casa Elefante, a small house with large personality.
