-Casa Luz- A Masterpiece in the Heart of San Miguel de AllendeLocated just a stone's throw from the iconic Juarez Park and a short stroll from the vibrant Jardin, Casa Luz is one of San Miguel's finest estate properties. A true gem in Centro, this historic home combines timeless Colonial charm with modern luxury, offering an unparalleled living experience.Upon entering through the grand entryway, you're welcomed by the "zagual" that set the tone for the rest of the home. A beautiful garden greets you, featuring a central stone fountain and lush greenery, with steps leading down to the serene pool area. The stone accents throughout, including carved columns and intricate details, evoke the essence of classic Colonial design.The main house features three luxurious bedrooms, each with updated marble bathrooms, including an expansive primary suite that offers sweeping views of the garden. The primary bedroom also boasts a large walk-in closet and an exquisitely appointed marble bathroom. In addition, there is a...
