Are you looking for peace, investment and a unique lifestyle? Lot Angeles has everything: a country terrain of 2,500 m^2 in the Cieneguita-Temazcallis area, surrounded by tranquility, spectacular views of the field and an environment that falls in love from the first moment. With double road access to Dolores Hidalgo or La Cieneguita, arriving is easy and fast, but being there ... time stops. Imagine having your own rest house, developing a tourist project of ecological cabins, glamping or even building the home of your dreams in full harmony with nature. And that is not all: this area is famous for its natural hot springs, a true treasure that you can enjoy minutes from your land, ideal for well -being, rest and connection projects. In addition, the land already has electricity service and is perfect for sustainable constructions with the collection of rainwater and ecological design. Lot Angeles is more than land: it is an investment opportunity in an area of high growth, but also a personal refuge where the countryside and the city...
