If you are looking for a safe lock and leave property with resort like amenities, this second story condo might be just the place for you. The property is in a guard gated community that boasts a beautiful and large pool and layout area just a few steps from the condo and a well-appointed full exercise facility is also nearby. The condo is offered furnished and it has a dishwasher, which is a rare benefit here in SMA. Another big surprise is a hot tub on the roof plus an extra room that could be a nice artist studio. While it would be a wonderful full-time home, you can also use it for part of the year and then rent it for some extra income. So, let's schedule a showing for you to see it first hand.
