Located within La Providencia Vida de Campo, this exceptional residence offers the perfect balance between countryside serenity and proximity to town. Set along the road to Alcocer and near the Picacho Mountains, La Providencia is a thoughtfully planned, low-impact development designed to blend harmoniously with its natural surroundings through earth-tone palettes, generous green spaces, and predominantly one-level homes that preserve open views and a peaceful rural atmosphere.Just minutes away, La Luciérnaga provides everyday convenience with a supermarket, movie theater, restaurants, and shopping—allowing you to enjoy a tranquil lifestyle without sacrificing access to services.Designed in Mexican Rustic Contemporary architecture, this home sits on a 1,122 m^2 lot and features 359 m^2 of covered construction plus 290 m^2 of patios, creating an ideal indoor-outdoor living experience. The property offers parking for 3 to 5 cars, four bedrooms, two levels, and a beautifully integrated...
