"Casa Vista Panoramicas" or" Panoramic views" is not an exaggeration. This property is unique at this price, offering one of the best views of SMA especially at sunset or during the fireworks displays. There is a main bedroom on the first floor with an ensuite full bath with the other two bedrooms and a full bath on the second floor. Also on the second floor is a very large terrace where you can enjoy those amazing views without having to climb up to the third floor. It is being offered unfurnished, but a furniture package can be negotiated. The home is in a gated community just a few minutes' drive from the La Luciernaga Mall. Listed at $299,000 usd makes this a "steal of a deal" and it probably won't last long on the market, so why don't you schedule a showing today?
