Lot 4 features 999.935 m^2, providing an exceptional amount of space to design a custom home with generous gardens, terraces, and outdoor living areas that embrace the natural surroundings. It is part of ALVA, a thoughtfully planned development created for those looking to invest in land within one of Mexico's most sought-after destinations. With nearly 1,000 m^2, the lot offers architectural flexibility to create a vacation home or full-time residence that prioritizes privacy, space, and connection to the landscape that defines San Miguel de Allende.
