Casa Baeza is an exceptional residence that seamlessly blends elegance, functionality, and a prime location within a beautiful private enclave, offering security, tranquility, and a truly pleasant environment. The property features 5 bedrooms and 5.5 bathrooms, thoughtfully designed to provide comfort for both residents and guests. Its social areas stand out for their spaciousness and warmth, highlighted by a generously sized living room complemented by strategically placed fireplaces, adding character and comfort throughout the home. On the main level, you'll find charming terraces and a private pool, creating an ideal setting for relaxation and entertaining within an intimate and inviting atmosphere. The second level unveils one of the home's most remarkable features: a spacious terrace with a grill, offering direct views of the iconic Parroquia de San Miguel de Allende, perfect for unforgettable gatherings. The rooftop terrace elevates the experience even further, featuring a comfortable lounge area surrounded by beautiful...
