Casa Java is a beautifully designed traditional residence located in Atascadero in San Miguel de Allende. Warm and welcoming, this exceptional walled property offers gracious indoor-outdoor living. Along the front of the house, a veranda overlooks a charming courtyard with a striking stone leopard sculpture. On the west side, another expansive veranda offers gorgeous sunset views across an ample yard accented with a fountain and mature plantings.A grand formal entry leads into spacious open-concept living areas highlighted by soaring ceilings, exposed wooden beams, fine stonework, and abundant natural light throughout. The gourmet kitchen features polished granite countertops, stainless steel appliances, generous pantry storage, and flows seamlessly into sunny dining spaces ideal for entertaining. Multiple gas fireplaces add warmth and ambiance throughout the home, including the elegant dining room, sunken living room, cozy study, and several bedrooms.The upper level offers a luxurious...
