Villa Jacaranda There are people who dream of moving to San Miguel. And then there are people who dream of living differently. Villa Jacaranda was created for the second group. Located within Residencial Águila Real, an eco-conscious community just 20 minutes from the heart of San Miguel de Allende, this thoughtfully designed retreat offers the rare combination of modern architecture, sustainability, and wide-open space. Set on an impressive 2,000 m² lot, the home feels connected to the landscape rather than separated from it. Clean architectural lines, natural materials, and adobe-inspired finishes create a warm, contemporary aesthetic that blends beautifully with the surrounding countryside. Inside, you'll find 256 m² of thoughtfully designed living space featuring four spacious bedrooms and three full bathrooms. Whether you're hosting family and friends, working remotely, or simply enjoying a slower pace of life, the home's layout offers both comfort and flexibility. But the real magic happens outdoors.
