Casa La Losilla Campanas offers a carefully planned living environment where architecture, open space, and residential amenities come together to support a comfortable and balanced lifestyle. The community itself is known for its organized urban planning, generous green areas, recreational amenities, and convenient access to key parts of the city, making it an appealing option for both full-time residents and those seeking a second home in San Miguel. With a lot size of 402 m² and 410 m² of construction, Casa Losilla 54 presents a thoughtfully designed layout that combines private living spaces with welcoming social areas. Delivered fully equipped and furnished, the property allows new owners to move in immediately without the need for additional setup or renovations. The ground floor of the home focuses on practicality and accessibility, placing the main living areas and the primary bedroom on the same level. This layout offers everyday convenience while maintaining a natural flow between...
