Excellent investment opportunity in the Bellavista subdivision , located next to the San Luis Rey neighborhood, an area with great growth potential and excellent connectivity in San Miguel de Allende . This lot is located on Paraíso Street and has an approximate area of 1,092 m^2, thanks to its generous dimensions of 19.50 meters of frontage by 56 meters of depth.Its size and proportions allow for the development of a comfortable and functional residential project with multiple design possibilities. It is ideal for building a residence with spacious interiors, a garden, a terrace, a garage, a living area, and outdoor spaces designed to enjoy the climate and lifestyle characteristic of San Miguel de Allende.The location is one of its main attractions. Situated within the Bellavista residential development and bordering San Luis Rey , it offers proximity to services, shops, main roads, and points of interest, providing the convenience of living in an accessible environment without sacrificing the tranquility of a residential area.This lot...
