Excellent opportunity to invest in one of the fastest-growing and most sought-after areas of San Miguel de Allende . This lot for sale is located in La Lejona , a strategic residential area that combines tranquility, connectivity, and proximity to important city services. One of its main advantages is that the land is completely fenced, offering greater privacy, security, and defined boundaries. This feature means the property is ready to start a construction project without the need for initial fencing work. The location of La Lejona is especially attractive for those looking to develop a home or make a real estate investment, thanks to its proximity to commercial areas, restaurants, services and main roads of San Miguel de Allende. The land offers an excellent foundation for developing a residential home , investment project, or rental property , in accordance with applicable characteristics, regulations, and permits. If you are looking to acquire land in a consolidated area with growth potential, this plot in La Lejona represents an...
