Build the home you've always envisioned in one of San Miguel de Allende's most exclusive residential communities. This exceptional homesite is located within Las Campanas Residencial, a private gated community designed for those seeking tranquility, security, and a lifestyle surrounded by nature while remaining close to the city's vibrant cultural and social scene. Las Campanas is known for its harmonious architectural design, expansive green spaces, and breathtaking views of Presa Allende, creating an extraordinary setting for everyday living. The community features more than 10 hectares of protected green areas, a vineyard, walking and jogging trails, and amenities designed for residents of all ages. Community amenities include: • Swimming pool and children's pool • Paddle tennis, tennis, and soccer courts • Terrace and multipurpose event space • Extensive green areas and walking trails • On-site vineyard • Views of Presa Allende • 24/7 security and controlled access Its privileged location allows...
