Discover a peaceful side of San Miguel de Allende, where beautiful views and quiet surroundings create a welcome retreat from the energy of Centro. Set within a private gated community, this spacious four-bedroom home offers a wonderful balance of comfort, privacy, and relaxed living. The home has been thoughtfully updated, including a remodeled kitchen with elegant granite countertops and a dishwasher, along with beautifully renovated bathrooms. A bedroom and full bathroom on the ground floor provide added convenience and flexibility, whether for guests or everyday living. Upstairs, the covered terrace is the perfect place to enjoy the home's sweeping views, peaceful surroundings, and beautiful San Miguel sunsets. Whether enjoying your morning coffee or relaxing at the end of the day, this inviting outdoor space allows you to appreciate the setting in comfort throughout the year. Practical features include a private garage with remote-controlled doors, offering both convenience and secure parking within the...
