Casa Iluminada is a striking contemporary home where soaring ceilings, dramatic stone walls, and expansive windows create a beautiful connection between architecture and nature. Overlooking the Charco del Ingenio reservoir, the surrounding valley, and the rooftops of San Miguel de Allende, the home enjoys extraordinary views and spectacular sunsets. Adjacent to protected green space, Casa Iluminada offers the tranquility of country living just minutes from the heart of San Miguel.Designed with entertaining in mind, the main living level features a generous open-concept living and dining area, a chef's kitchen, and three fireplaces that bring warmth and character to the contemporary spaces. An impressive double-height stone wall, accented with rare green cantera, provides a distinctive architectural and artistic focal point. The beautifully designed kitchen island invites guests to gather while enjoying the sweeping views beyond the windows.Large windows fill the living spaces with natural light, while a...
