authentic hacienda close to town

ID: 1513 Price: \$ 730,000 USD

Nice hacienda style home, in the middle of a 6 hectares little ranch. Perfect for a tranquil-country lifestyle, the property is surrounded by a variety of trees, which includes fruit trees, huizache and mesquite. The house has rainwater catchment and solar panels, but it has access to electricity and city water if needed. Each room has a unique stile and beautiful ceilings, and in the center of the house one can enjoy a lovely patio typical of the Mexican haciendas.
