## An Historic Location in San Miguel

**ID:** 1943 **Price:** \$ 420,000 USD

The development, while in an historic part of San Miguel, on the old Obraje Hacienda, is just minutes from Centro. The design is spectacular Mexico City Modern with polished concrete, blond woodwork and masses of light pouring in. You really have to be inside the houses to really appreciate how remarkable the design is. Tucked away in a quiet corner of San Miguel, but close to everything and with lovely views of the countryside. Well worth your time to visit.
