Next to Juarez Park, old Mexico architecture taken from an old mansion.

ID: 2063 Price: \$ 960,000 USD

Wonderful large property in one of the best areas of town. It can be a beautiful private residence with large gardens, a swimming pool, garage for several cars and great views of town, the hills and sunsets. It can also be divided to build two or three houses. It is located just one block from the Juarez Park, and it only takes 5 to 10 minutes to be in the center of town. The design of the main house was taken from an old mansion in Pozos (an old Mexican small mining town in the state of Guanajuato). The asking price is practically just the value of the land.
