Ideal Centro Pied-à-terre

ID: 2082 **Price:** \$ 329,000 USD

This home rocks a Mexican Moroccan motif like no other, and is selling fully furnished. The living areas of the first floor look out onto a patio with fountain. The second floor includes a bedroom and flex room, and the third floor houses the master bedroom. Finally, the roof garden is the perfect spot for secluded sunbathing. Centro pied-à-terres don't come available often, and this one is special not only because of its superb style but also because of its location. Just one block from Guadalupe, it enjoys easy access to Guadalupe's neighborhood shops as well as the convenience of Centro.
