Sitting on a Large Lot

ID: 2254 **Price:** \$ 360,000 USD

The beauty of San Miguel homes is that you can not imagine what is behind a door, and this is one of those cases. The austere façade of this home gives way to a warm greeting area and opens up to an spacious an beautiful living room with huge boveda ceilings in the living and dining room. The kitchen overlooking the garden is decorated with Mexican tile and it has wooden cabinets; this opens up to a more casual dining area, and there is a contiguous TV area as well.
