Located across from Guadiana park, one of the most desirable neighborhoods in San Miguel, Casa GGG is built around the soothing sights and sounds of water. Photos can't convey the serene feeling of the shimmering, turquoise courtyard pool, or the relaxing sound of water slowly sheeting down the sides of the "Spinning Bonnet" fountain. Photos can't tell you about the choir of songbirds that nestle in the ivy on the back courtyard wall every day as the sun begins to set.
