### Great lot in Lindavista

**ID:** 2385 **Price:** \$ 39,000 USD

This is a super lot located between two beautiful stone houses. There will be a terrific view of all the churches of Centro from the roof terrace. The lot is already leveled and walled on the street side with both pedestrian and garage doors. All ready to build. This is an up and coming colonia and right across the new, wide cobblestone street is a green area that will be a park when the neighborhood is more developed.
