Upscale Living with Views, Security and Income Opportunity

ID: 2690 **Price:** \$ 450,000 USD

Designed with a nod to the traditional Mexican Hacienda, this beautiful home provides the indoor – outdoor living so coveted in San Miguel. Throughout the property there are traditional materials like cantera columns, wood beamed and boveda ceilings, a cobble stoned entry and custom iron work. Expertly integrated with these traditional elements are the conveniences we've all come to appreciate; a modern kitchen with marble countertops and stainless steel appliances, a gas fire place, a garage, and French doors that look onto a lush garden.
