4-bedroom San Antonio fixer upper with huge patio and amazing potential of rental income.

ID: 2696 Price: \$ 297,000 USD

This property has so much potential that it's hard to know where to begin. My favorite parts are the outdoor areas. The entry patio is inviting and includes a large rock wall, a fountain, and planters. It sits adjacent to a spacious multi-car carport, accented with bovedas and arches, both of which provide traditional Mexican flavor.
