Beautiful Contemporary Home

ID: 2809 **Price:** \$ 235,000 USD

This refreshingly contemporary and cozy home is located in the Colonia Allende, across from Kunsthau Santa Fé, one of the most respected modern art galleries of San Miguel de Allende. Thanks to an efficient use of space, the home is deceptively spacious considering its relatively small footprint. The Scandinavian-inspired design features plentiful wood as well as state-of-the-art details and finishes.
