New Penthouse Apartment

ID: 2877 **Price:** \$ 149,000 USD

Delightful newly rebuilt apartment with view terrace. This all-new construction has a contemporary feel, but with cozy touches. Modern kitchen with granite counters and new appliances. On-demand water heater. The finished terrace has a pergola with excellent views of the churches of Centro. Across from the apartment is a newly updated park. Easy access. Even though this is on the third floor, you ascend via two flights of normal stairs.
