Fabulous new home by award winning architect Pedro Alvarado.

ID: 3502 Price: \$ 396,000 USD

The amazing use of space, textures and light, make this a one of a kind home in one of San Antonio's most desirable streets. The privacy of each one of the rooms, make it a perfect home to run a small B&B, or just to have friends over and enjoy the different areas. Fabulous views of the city. Truly a must see. Completion date, January 2019
