### Casa Silvia is Available

**ID:** 4066

Comfortable is the adjective for this house. The house is in complex with a casita and an office. It has it's own off street parking with electric door opener. The house has ample terrance in front that faces the garden which is a green space for the complex. In the house we have first the living room, dining room and kitchen with a open layout. The laundry and maids quarter is just besides the kitchen. Between the two bedrooms there is an office or second sitting area, or the sapce to make larger the living room. Both bedrooms have ensuite amd closet.
