Is your chance to get your own personal project

ID: 4100 Price: \$ 5,000,000 MXN

This property needs a major renovation, but huge potential for a residence, Pied-à-Terre or rental property. With love and attention, this could be a beautiful apartment. The construction itself needs a lot to do and the only limit is your imagination to build the house of your dreams in one of the best cities in the world.
