ID: 4775 **Price:** \$ 1,750,000 USD

The views are spectacular!

This property has permits for subdivision into nine separate lots should the buyer choose. A unique feature is that it also has an artisan well with thermal waters – aside from city water service – and has underground electrical, telephone and internet (fiber optic) installations. Also included is an area built with a kitchen for catering, a bar and service area for...
