## Relax and charming home

**ID:** 4803 **Price:** \$ 285,000 USD

Living in a mesquite forest is a very healing and relaxing experience, with wonderful clean air and a great out of the way place if needed. Perfect place to be safely protected from corona virus!

On days where you just feel like relaxing in the countryside, you can buy your groceries at the local store, eat at farm to table roadside cafes and swim in nearby hot springs pools. There are elegant restaurants in the area as well...
