Casa Luz

ID: 4894 **Price: $** 469,000 USD

A short flight of stairs brings you to the first level of the home. There is also a shaft to add an elevator if you choose that goes from the garage to the second floor. Off to your left you will find the kitchen with plenty of granite topped counter space, double paned doors and windows, lots of storage space and a double sink. Not only does it open into the dining room but both rooms open out onto a large patio area accented with a charming stone wall. If the addition of a pool is something of interest to you there is another tier of garden that would be the perfect spot!
