Gallery House is an artistic haven located in the Guadiana neighborhood, steps away from the Guadiana park and a 10 minute flat walk to the Jardin. It is comprised of the main 2-bedroom home and a separate 1 bedroom Casita with a lush garden in-between. The Casita is well appointed with full bath, private terrace and kitchen, and faces the street and overlooks the garden. The main house is nestled in the back of the property and is full of light and absolutely unique.
