Casa Tradicional Mexicana

ID: 6144 **Price:** \$ 4,950,000 MXN

This house is perfect for someone who needs large spaces to travel in a wheelchair, but also having access to a beautiful garden with some fruit trees, the property has two bedrooms, a large kitchen and a dining room and living room. Well sized, it also has an office, which could well work for a study or be adapted for one more room, but the fountain in the middle of the property makes it very special
