Casa Perla

ID: 8424 **Price:** \$ 445,000 USD

Discover Casa Perla, the epitome of understated elegance. This three-bedroom, single-level home is perfect for couples or small families who appreciate open spaces and abundant natural light. Upon entering Casa Perla, you're greeted by a stately vaulted ceiling that enhances the expansive open living and dining areas, a solarium, and a guest powder room. Bathed in natural light and benefiting from excellent airflow due to its southern exposure and tall ceilings, this area exudes warmth and comfort.
