Casa Jardín del Quijote

ID: 8685 **Price:** \$ 595,000 USD

This charming home is hidden away in what seems like a secret garden. Stepping down from the street front gate, you walk down and through a door in a wall that takes you to a verdant pathway leading to the house. The home is anchored by an elegant sky lit hallway which leads to the main living/dining area via large open archways. This spacious room has a high vaulted wood-beamed ceiling, giving the room architectural flair. Two sets of French doors on the facing wall open onto a flowering terrace. There is a fireplace in the main room as well as in each bedroom.
